# Sweet thing

SK Instant Macaroon Mix from Squires Kitchen, £7.50 for 250g, makes 18 standard-size macaroons. Contact 0845 617 1810, squires-shop.com.

## CHOP CHOP

We love these mini chopping boards. Carved from sustainable green oak, they will "silver" over time if left natural, or lightly oil them to help retain their colour. Besides chopping, use them to serve canapés. They cost £32 each from Also Home. Contact 0844 870 0165, alsohome.com.

Knowing your cuts of beef helps you get the best from them. For slow cooking choose skirt, shin and braising steak (from the chuck or blade) and brisket for pot roasts.

**CAROLINE PEERS, WEST HELE ORGANIC FARM, DEVON, WESTHELEFARM.CO.UK**
