Welcome

This year we have added Wild Game to our Christmas range for ordering alongside Free Range Turkeys, Geese and Ducks and included a few extra cooks essentials. We've created a useful 'size guide' to help with ordering but please ask if you need advice.

Many thanks for all the kind comments about our lovely new Redhill Farm 'Shop in the Bail' - having opened at the end of April, George is gaining new customers though your word of mouth.

We've had another exciting year supplying Wimbledon and Lord's Cricket again and being singled out for local, regional and national awards - here are some of the highlights that we'd like to share with you,

Jane, and all the team at Redhill Farm.

Lincolnshire Sausages and Redhill Farm get Local, Regional & National Recognition in 2017.

We were honoured to have our Lincolnshire Sausages recognised locally in May this year with the 'Made in Lincolnshire Award' - this was very important to us coming from our own County.

Then in July we were delighted to get further recognition for our Lincolnshire Sausages by becoming the 'Regional Finalist' with the national cookery publication Delicious Magazine in their Produce Awards.

In August, from over 12,300 entries we are the only winner of a 3 Star Great Taste Award for Pork – described by the judges as 'exquisite' and 'stunning pork'. We're also pleased with our 1-Star Great Taste Award for our Lincolnshire Sausages and more national recognition for our County's iconic food.

In October we were selected as the Producer of the Year nationally in the Great Food Club Awards in recognition of our ethical farming, provenance and attention to detail for all our produce and how we remain small scale to retain high quality. The judges commented "Redhill Farm Free Range Pork is, in our opinion, the best quality pork you will find anywhere".
